pregnancy naturally separates a mother s outermost abdominal muscles to make room for her growing uterus called a diastasis this separation doesn t fully close up in 98 percent of new moms the larger the diastasis the weaker the muscles and the greater chance for mom to develop back problems down the road of perhaps greater concern for moms new and veteran alike the larger the diastasis the bigger the belly that just won t seem to go away after baby s delivery lose your mummy tummy introduces the tupler technique a set of deceptively simple abdominal and breathing exercises that decrease the diastasis and result in a firmer flatter and stronger belly like kegels those all important and privately practiced pregnancy exercises the tupler technique can be practiced almost anywhere and at anytime including illustrations for a 15 or a 30 minute at home exercise routine lose your mummy tummy ensures a tighter flatter stomach a smaller waistline a reduction or elimination of back pain the ability to safely lift your baby and heavy objects more energy better posture the perfect preparation for your next pregnancy

full colour edition of the 2017 bestseller are you struggling with your post baby body image do you feel that rather than getting your body back after you had your kids you got someone else s back instead you are not alone with the help of our easy to use guide dressing like a mum doesn t have to mean frumpy functionista style as you learn how to dress your mummy tummy and rediscover the funky fashionista within you

are you struggling with your post baby body image do you feel that rather than getting your body back after you had your kids you got someone else s back instead you are not alone with the

help of our easy to use guide dressing like a mum doesn't have to mean frumpy functionista style as you learn how to dress your mummy tummy and rediscover the funky fashionista within you

not everything was tragic i do have a few happy and funny memories spent mostly in the company of my siblings i used to eat figs sitting at the top of the fig tree one time lllidia and i were sitting on the same branch and josll on another al was standing on the ground collecting the less sweet figs and putting them into the fold of her skirt why won't al climb up here with us i asked with my mouth full of figs it's so that you don't look up at her knickers lllidia answered about to put a whole fig in her mouth i let out a loud ah well if you didn't know you do now josll threw in lllidia's bowels were rumbling we could all hear them figs tend to have that effect on a person not all things that taste good do you good my sister shuffled on the branch and then pulled her skirt up she was having an attack of diarrhoea and our presence wasn't going to stop her from relieving herself it hit al right on the head the three of us let out uncontrollable shrieks of laughter

this book is filled with loveable characters witty dialogue and proper lols which made recording the audiobook hard because i kept giggling sharon rooney does anyone ever really want to fall in love knowing me i'll just trip over it and graze my knee on the gravel of humiliation haylah swinton is fairly confident she's brilliant at being a girl she's an ace best friend a loving daughter and an incredibly patient sister to her four year old total nutter of a brother noah but she has a secret she wants to be a stand up comedian but she's pretty sure girls like her big girls girls who don't get all the boys girls who a lot of people don't see don't belong on stage that hasn't stopped her dreaming though and when the seemingly perfect opportunity to write routines for older cooler impossibly funny leo arises well what's a girl to do but is leo quite an interested in helping haylah as he says he is will haylah ever find the courage to step into the spotlight herself and when oh when will people stop telling her she's funny for a girl

the handbook narrative psychotherapy for children adults and families combines philosophical scientific and theoretical insights in the field of narrative psychotherapy and links them to sources of inspiration such as poetry film literature and art under the common denominator narrative thinking sections on theoretical issues alternate with a large number of case histories drawn from different therapeutic contexts the reader can browse at will through the many examples of therapeutic sessions in some cases including literal transcriptions in which narrativity in all its forms is the point of departure what language does the body speak what messages do seemingly random slips of the tongue convey how can a painting help a client to find words for his or her story the discussion of the logic of abduction demonstrates the importance of metaphor and special attention is given to the processes of creating a therapeutic context and defining a therapeutic framework

it's hard to cry with sadness while you're laughing with love this is the story of a much loved young woman who died much too early and the way that she lived her life in the fullest way she knew right until the very end this is the story of my sister nicole's journey with breast cancer from her diagnosis to her death but the story goes beyond that in the same way that nicole took everything beyond the ordinary it's also a story of how she managed to live her life really live it in the most expansive definition of the word the whole way through right up until her last heartbeat a woman who turned the intrusion of cancer into her life into something that she used to expand her that made her bigger in so many ways it's the story of a woman who looked for the lesson and the gift in every moment and not only treasured it but used it to create more it's the story of what it's like to be the sister of a woman who carried this off it's the story of how you get through it as an outsider how you help how you hinder and how you come out the other side living life with a sister with cancer was a challenging but enriching experience it changed the way i live my life i hope reading our story gives you something too

children's rights lone motherhood and the breakdown of families are all issues at the forefront of current social debate in the west with little agreement on what constitutes good parenting or

how the needs of both mother and child are best met the feminist contribution to this debate is particularly important in keeping in view the diverse identities of all those who provide mothering the psychoanalytic contribution is often undervalued and misunderstood mothering and ambivalence brings together authors from therapeutic academic and social work backgrounds to discuss dependency anxiety and gender relations within families drawing on extensive professional experience the contributors combine a psychoanalytic and feminist approach to mothering which transcends the polarized and simplistic political debate about women's and children's needs they also show how such an approach can inform and improve professional practice

these stories essays and poems by women examine the connections feminists are making between sex and god the women write from very different perspectives cutting across the spectrum of feminist writing about sexuality and spirituality within the judeo christian tradition some writers though critical are determined to retain their radicality in the very teeth of patriarchy by remaining within the traditional forms of faith others impatient suggests the editor with the great inseminator in the sky have moved on to what might be described as a post patriarchal spirituality contributions indicate the exciting spiritual journeys women are currently making and focus on the following areas monogamy and promiscuity sex politics and spirituality childbirth sex and healing in dying feminist sexual psychology lesbian identity and feminist embodied theology the recent and continuing debate about women priests in the anglican church uneasily echoes the rumblings of change at a fundamental level in the relationship between women and religion this book with its reflections on both the politics of christian feminism and the more widespread expression of women's spirituality makes an important contribution to that change first published in 1987

what does it take to keep a family together a family completed through adoption love patience compassion understanding a little of everything maybe the book elucidates real life adoption experiences through the voices of adoptive families and adult adoptees as they share their moments of joy sadness challenges pain fulfilment and much more it touches upon grief and loss and the stark realities of adoption adoptive parents share their experiences of how they let their adopted children know that they were adopted and how they handled root search which are crucial issues when it comes to understanding adoption the book highlights some of the less frequently discussed adoption issues such as dealing with mixed emotions relating to an identity crisis and the desire of the adoptees to learn about their biological roots also included are candid accounts from adult adoptees on growing up in adoption by providing glimpses of the world of adoption the author aims to aid prospective and current adopting individuals to understand the thought process of adoptive children and be better prepared as parents are you looking to adopt don't forget to take a look at the questionnaire to test your readiness for adoption adoptionmakesafamily this book is a welcome contribution to the small body of literature on adoption in india dr shalini bharat director and vice chancellor of tata institute of social sciences this book has a mission not just to educate but it will be a support through your pilgrimage as a parent dr aloma lobo adoptive parent and former chairperson of the central adoption resource authority and the adoption coordinating agency karnataka bharatiya samaj seva kendra works towards making a positive difference in the lives of vulnerable children and families since 1979
